

THE

FOREWORD

"Do you know what your Itella means to you?"

Webster defines the term yearbook as a book of the statistics or facts of a year, published yearly. But, a yearbook is not simply a conglomeration of dull facts and statistics. Rather, it is a binding together of the factors of our school life. The Itella is a composite of the year's memoirs . . . the excitement of the beginning weeks of school . . . meeting new friends . . . academic progress . . . participating in extracurricular activities . . . passing notes . . . romance . . . athletic activities . . . class rings . . . and, it is something more; it is the core of Douglas MacArthur High School. Thus, the Itella Staff presents to you, a pictorial review of the 1963-1964 school year and leaves the answer to the riddle, "Do you know what your Itella means to you?"—a preservation of your high school memories.

A FRIDAY WE WILL LONG REMEMBER

On November 22, 1963, no drum beat its song, no bugler played taps, no band resounded with "Hail to the Chief," as John Fitzgerald Kennedy, thirty-fifth President of the United States, returned for the last time to Washington, the city where he had practiced the skill of leadership.

His arrivals and departures became an important part of American history. When he arrived, the door would open and a supple figure would come out to greet him with that cheerful smile and graceful wave of the arm which became so famous in American politics. There would then follow the burst of applause, the songs, the yells and the shouts.

But he came this time in silence.

John Kennedy, who, for three years had held an important place in the minds and hearts of every man, woman and child in the nation, was dead.

How shocking that he should be so cruelly wrenched from the ones who loved him and needed him most; his wife and children, his relatives, the people of the United States.

Dynamic, ambitious, energetic, a leader—yes, this was President Kennedy. But he was more than an image, he was a light in the lives of the younger generation. President Kennedy firmly believed in helping the young people of today to become the good leaders of tomorrow. He believed and hoped that teenagers would take an active interest in their government and aid the growing of the United States as a better place in which to live.

No more will his voice be heard across the country, no more will he romp with Caroline and John-John, and no more will that cheerful smile and graceful wave of the arm greet him at the door, for President John F. Kennedy is dead.

The youth of today should not think of him as such, but keep that lamp of his love and friendship eternally glowing.

President Kennedy Dies After Shooting In Dallas

Gunmen Also Wound Governor Of Texas

PRESIDENT KENNEDY'S WIFE leans over her wounded husband in the rear seat of a car at Dallas, Tex. The President and Texas Gov. John B. Connally were shot by unidentified gunmen early this afternoon as they rode through the Dallas downtown area.

From Our Wire Service

DALLAS, Tex. (AP)—President John F. Kennedy, 36th President of the United States, was shot to death today by a hidden assassin armed with a high-powered rifle.

Texas Gov. John B. Connally, in the car with Kennedy, was hit and seriously wounded.

Kennedy, 46, lived less than an hour after a sniper cut him down as his limousine left downtown Dallas. He died at 2 p.m. EST.

The President was shot in the right temple. "It was a simple matter of a bullet right through the head," said Dr. George Burkley, White House medical officer.

Automatically, the mantle of the Presidency fell to Vice President Lyndon B. Johnson, a native Texan who had been riding two cars behind the Chief Executive.

There was no immediate word on when Johnson would take the oath of office.

Kennedy died at Parkland Hospital, where his bullet-pierced body had been taken in a frantic but futile effort to save his life.

A television newsmen said he looked up just after shots were fired and saw a rifle being withdrawn from a 5th or 6th floor window of a nearby building (the Texas Book Depository). One suspect was said to be in custody.

The First Lady cradled her dying husband's blood-smeared head in her arms as the Presidential limousine raced to the hospital. "Oh, no," she kept crying.

Mrs. Lyndon Johnson said after a visit to the emergency operating room today that the vice-president "is fine."

Asked if her husband also had been wounded, she shook her head negatively.

Gov. Connally was shot just below the shoulder blade in the back.

Mrs. Kennedy was safe. Mrs. Connally also was safe.

The President, limp and cradled in the arms of his wife, was rushed to Parkland Hospital. The governor also was taken to

Secret Service agents in a follow-up car quickly unlimbered their automatic rifles.

The bubble top of the President's car was down.

The President slumped over in the back seat of the car as it was shot down. Connally lay on the floor of the rear seat.

It was impossible to tell at first where Kennedy was hit but bullet wounds in Connally's chest were plainly visible, indicating the gunfire might possibly have come from automatic weapons.

Dallas motorcycle officers escorting the President quickly leaped from their bikes and raced up a grassy hill.

Blood was spattered over the limousine, which had been blown in specially to carry the President in a welcome parade. The driver was Secret Service man Bill Greer.

The shooting occurred just east of the triple underpass facing a park in downtown Dallas.

The President had landed only a short time before at Love Field and was driving to the Trade Mart to deliver a luncheon speech sponsored by three Dallas organizations.

The largest turnout of the current Texas tour was on streets to greet Kennedy.

Rear Adm. George Burkley, USN, the White House physician rushed into the hospital. He headed for the emergency room where the President and Connally were taken.

The motorcade was so strung out as the result of a speedy Secret Service departure from the scene of the shooting that members of the Kennedy staff were from minutes to a half-hour behind in reaching the hospital.

Although Dallas is regarded as a center of strong political opposition to Kennedy, the heavy street crowds between Love Field Airport and the scene of the shooting was overwhelmingly friendly. There were numerous "Welcome Kennedy" signs, but a few were anti-Kennedy.

One man perched on the roof of his car had held out toward the President a sign saying that because of Kennedy's

Old Soldier MacArthur Accorded Hero Honors

Memorial Awaits Body

NEW YORK (AP)—The nation—and much of the world—began paying a hero's homage today to Douglas MacArthur, a gallant old soldier who has faded away.

The rugged heart of the 84-year-old general of the Army, which had kept beating through three grievous operations, was stilled at 2:30 p.m. Sunday at Walter Reed Army Hospital in Washington, D.C.

Soon thereafter the body of the man who etched his name

on so much history—St. Mihiel, Bataan, Corregidor, New Guinea, Manila, Tokyo and Inchon—began a historic funeral journey into a starlit night.

The body was brought by motor hearse to this city—where he had lived in a hotel suite since coming home from the wars 13 years ago. Until Tuesday morning the body will be at the Universal Funeral

Chapel.

Then, from 10 a.m. Tuesday until 10 p.m., it will lie in repose at the famous old 7th Regiment Armory on Park Avenue, a great brick building with battlements and towers, and filled with the trophies of many heroes.

On Wednesday, the body will be returned by train to Washington. From 3:30 that afternoon until noon Thursday it will lie in state in the Capitol rotunda, where so recently the body of

the martyred President John F. Kennedy also reposed.

Then, by military plane it will be flown to the naval city of Norfolk, Va., for funeral services in St. Paul's Episcopal church and burial in the MacArthur Memorial nearby. All along the funeral journey there will be the military pageantry reserved for the nation's great.

The general had expressed a wish to be buried in Norfolk, because there his mother, the former Mary Pinkney Hardy, was born, reared and married. The city has fashioned out of a 114-year-old courthouse, a me-

monial to MacArthur, a museum for his memorabilia, and a mausoleum for his remains.

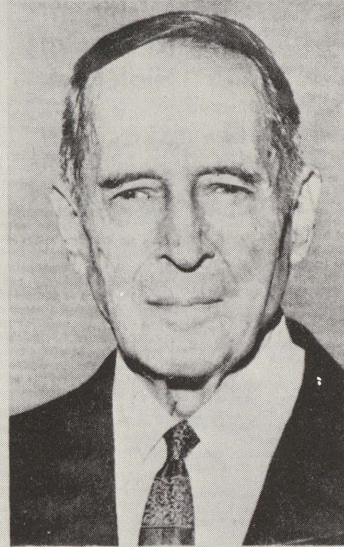

There are the famous crumpled campaign hat, with its scrambled eggs insignia, and one of the corncob pipes that were his trademark.

There, too, above the tomb that will receive him, is this inscription:

"In twenty campaigns, on a hundred battlefields, around a thousand campfires, in long years of peace as well as war—a soldier who tried to do his duty as God gave him the light to see that duty."

K Twits Red China Leaders

They're Shy On Brains, He Tells The Bulgarians

From Our Wire Services

Soviet Premier Khrushchev declared today only a child or an idiot does not fear war and that people who think like the Red Chinese leaders about war "do not show an overabundance of brains."

Khrushchev said he thought U.S. President Johnson had similar views to those of the late President John F. Kennedy, which he called reasonable.

"The Chinese leaders say it would not be a bad thing to have a war — one-half of the people in the world would be destroyed and the other would survive," Khrushchev said in a speech to several thousand workers of a chemical plant Kazincsecka, northeastern Hungarian industrial center.

"They say that after some time women again would bear children and mankind would be as before. People who think like that do not show an overabundance of brains, but rather a lack of them."

Khrushchev said he had been accused by the Chinese of being afraid of war.

"I say it is only a child or an idiot who does not fear war," he declared. "If Hitler had known how World War II would end and that he would shoot himself, he probably would not have started the war."

Khrushchev made his remarks after discarding a prepared text.

"The United States is an imperialist country, but its government judges the world situation soberly," he said.

"Our peoples do not want

competition between the two systems, the socialist countries can achieve new and great results."

The Soviet leader, pressing his campaign against Peking on a grass roots tour of Hungary, had warned Communist China Sunday that "only a complete idiot would want to split the Communist camp."

In Rome, meanwhile the big Italian Communist party has come out against Soviet Premier Khrushchev's call for a showdown meeting on the Soviet-Chinese struggle, warning that it might cause a formal split in the international Red movement.

The Italian Communists made plain, however, that they are against Peking and might change their position depending on developments.

The statement, published in the Communist organ L'Unita, noted that the party had opposed a world showdown meeting all along and had suggested that individual Communist parties should thresh out differences in bilateral talks.

The renewed opposition from the largest Community party in the West underscored reports from Budapest that Khrushchev is receiving lukewarm support from some allies in his battle with the Red Chinese.

Khrushchev had predicted that his call last week for a showdown session would rally all Communists. So far only the Hungarian and Bulgarian parties have pledged him all-out support.

New Ambassador Rarin' To Tackle Panama Problem

WASHINGTON (AP)—President Johnson's nomination of Jack Hood Vaughn as ambassador to Panama is expected to reach the Senate by midweek, and the onetime boxer is "rarin' to go."

Johnson told a news conference Saturday that Vaughn, now "rector of the Peace Corps American operation, will way to Panama "just can be confirmed

to deal with the "ancient enemies of mankind—disease and illiteracy."

An exchange of notes Saturday between the State Department and Panama's Foreign Ministry official resumed relations. It was reported in Panama City that U.S. Embassy personnel are expected to return to their headquarters this week, having been told by Panamanian officials that they are welcome at any time.

Sunday night, Panama President Roberto Chiari named Dr. Jorge Illueca, a former ambassador to the United Nations.

" . . . THEY JUST FADE AWAY"

Duty—Honor—Country. These three simple words summed up the beliefs and philosophy of General Douglas MacArthur, gallant old soldier who passed away on April 5, 1964.

Born in 1880, of a military-minded family, Douglas MacArthur was destined at an early age to a military life and career.

Soon after launching into his military career, the hallowed words of Duty, Honor and Country, became an important factor in MacArthur's daily life. He believed these to be a person's rallying points: "to build courage when courage seems to fail; regain faith when there seems to be little cause for faith; to create hope when hope becomes forlorn."

His principles could well be copied by every student in this school named after this great man—Douglas MacArthur.

The 1964 Itella is

DEDICATED

to Mr. Max Matson with respect and affection from the staff of the yearbook.

Born in Newaygo, Michigan, Mr. Matson graduated from Newaygo High School and received his B.S. and M.A. from Western Michigan University. While in the Armed Forces he served as a First Lieutenant and Quartermaster of Property Officer in Fort Wayne, Detroit. In the fall of 1963, he was named Vice-President of the Western Michigan University Alumni Association.

While spending a quiet evening at home Mr. Matson pursues his favorite pastime of reading.

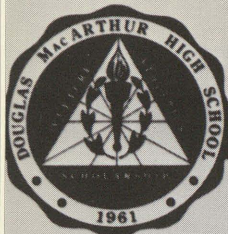

Mr. Matson has been on the faculty of Douglas MacArthur High School for its first three years. He has served as a Group Guidance Teacher and as a counselor. From 1962 to 1964, he has been Assistant to the Principal at Douglas MacArthur. He is also sponsor of the Student Council and the Varsity Football Coach.

However, Mr. Matson's great contribution to Douglas MacArthur is not to be found in organizations but in persons. He has always dedicated his life to the MacArthur student. Probably no man will ever achieve quite the perfect balance of serious purpose and sense of humor, keen informed intelligence and warm sympathetic understanding, which Mr. Matson possesses.

Mr. Matson resides with his wife, Mary Lee, and his sons, Jeff and Troy, in Saginaw Township. Mr. Matson enjoys reading and sports of all types.

It can be truly said that Mr. Matson is a very important factor in the every-day function of Douglas MacArthur and he has certainly helped the students to grow and mature. We of the Itella feel it only fitting to honor and thank Mr. Matson for his unending efforts to guide our students.

Thus it is with a great deal of pleasure that we dedicate our efforts of the 1964 Itella to Mr. Max Matson, Assistant to the Principal, at Douglas MacArthur High School.

ART CLUB

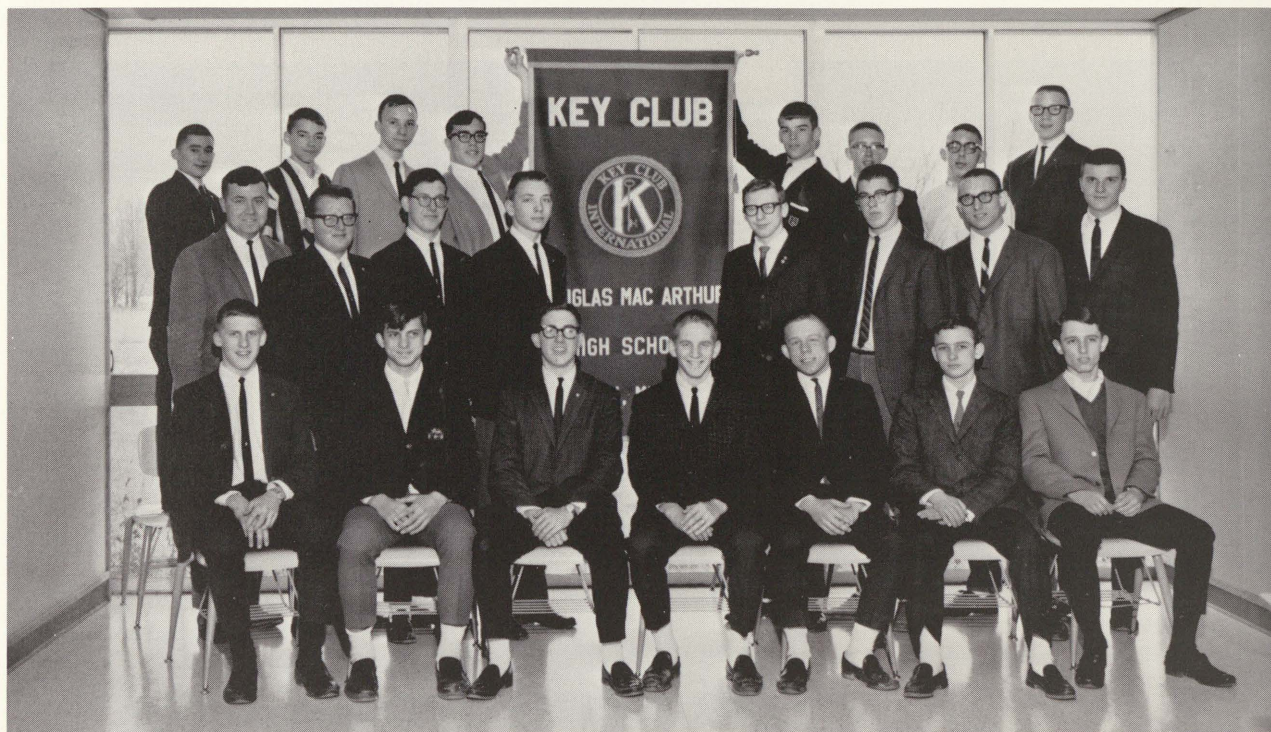

The Douglas MacArthur Art Club acts as a service club to fulfill the art needs of the school and a social club for those art students who wish to meet and discuss the arts with their fellow students.

Teaching elementary school students on Saturday morning was a major project of the club. They also built and painted the canvas scenery for the first school play. A most recent contribution of this organization was a young flowering tree planted in front of the Electives Building.

Under the direction of Mr. Fuller students have many hours of enjoyment participating in amateur acting. The first presentation by the group in the winter was, "The Man Who Came to Dinner," which proved to be a great success.

A children's play was very popular among youngsters coming from the elementary schools. Other plays are being planned for the future. Hours of memorization and hard work go into each performance—a very demanding job. Congratulations to Mr. Fuller and his enthusiastic starlets!

SEA NYMPHS PERFORM WATER BALLET

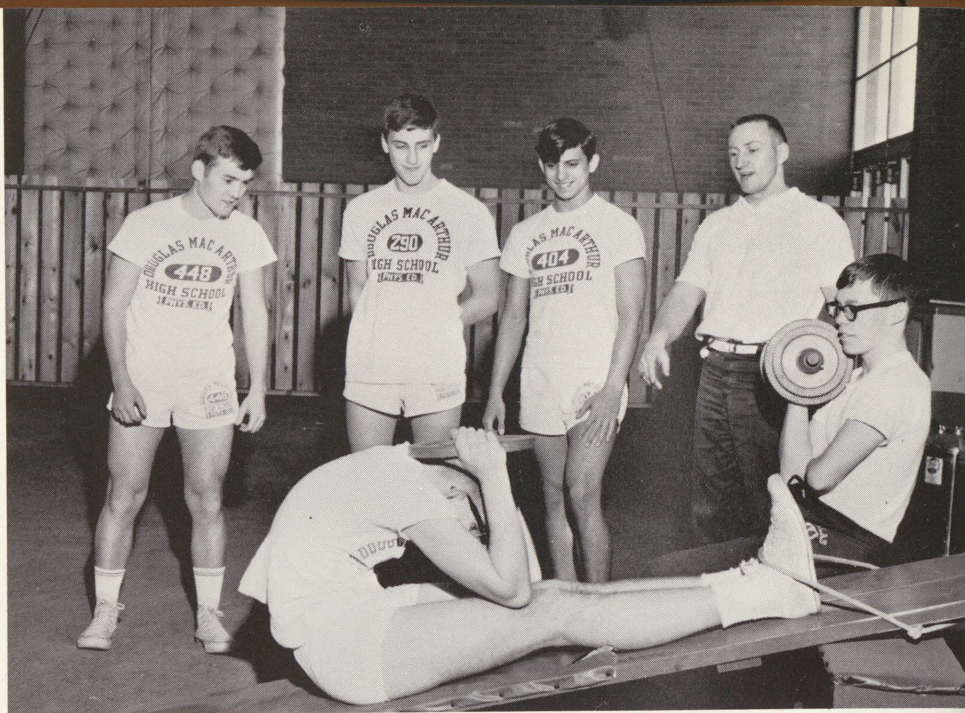

The Sea Nymphs is a group of girls who are interested in primarily synchronized swimming as well as improving all around general swimming ability. The Sea Nymphs are putting on their second annual water show May 4th.

FIRST ROW: P. Wohlfeil, L. Mahany, K. MacDonald, M. Bramer, M. Colby, K. Harris. SECOND ROW: M. Sheldon, J. Boice, M. Whitney, G. Sicard, D. Peck, K. Dawson, J. Zoellner. THIRD ROW: S. Busch, C. The Weight-Lifting Club is open to all boys attending D.M.H.S. (girls are not excluded, but have never joined in the past). Each participant is given considerable leeway to work-out with the weights as he sees fit. The rationale for this being simply that no two individuals enjoy the same exercises, or for that matter, need the same exercises. However, suggestions and demonstrations are given by the coaches in regard to proper techniques of breathing, posture, balance, and lifting. Safety precautions are emphasized for every type of lift.

The Weight-Lifting Club is most active in late fall and early winter. The Club holds regular meetings on Monday and Wednesday of every week.

Sponsor—coaches are Mr. Richard Reed and Mr. Spencer McAllister.

Ardent mathematician solving problem.

MATH CLUB

The Math Club is an organization of students interested in Mathematics. The members further their knowledge by investigating new methods of solving problems in this field. It is an educational club which helps students apply themselves well in their math courses.

The "Honor Club" is presently in the process of becoming affiliated with the National Honor Society. Our Charter has been accepted and approved by the national parent organization. A few technicalities remain to be taken care of before D.M.H.S.'s Chapter becomes "active." The school year 1964-65 will be the first year under the new Charter. All students with a "B" or better average will be admitted to the organization upon the recommendation of the Principal and a faculty committee. Sponsors are Mr. Robert McGinty and Mr. Spencer McAllister.

IN DEDICATION

to Mrs. Thaddeus Giszczak for her tireless efforts in bringing about the uniforming of our band and choir.

Mrs. Giszczak attended high school in Danby, Missouri, and received her Bachelor of Art degree from Wayne State University. She moved to Saginaw with her family in 1960. Upon the formation of the Music Boosters Club in 1961 she was elected president and is still serving in this capacity. She has been an inspiration and leader to the music department and the school.

Her leadership has become very apparent in the successfulness of the fund-raising projects undertaken by the Music Boosters such as: candy sales, Music for MacArthur Day concerts, and others. Many programs, concerts, clinics and festival details and arrangements have been worked out by Mrs. Giszczak with parent groups.

Mrs. Giszczak's interest in music reaches into the family as her sons play in the township schools' bands and orchestras.

As a token of our appreciation we are proud to dedicate this section to her.

Nancy Goodman was singled out as the Outstanding Vocal Student. The choir will also combine with orchestra and the band to perform the Spring Concert. The choir sold candy and tidbits at the A. C. Spark Plug concert to raise money for the new robes acquired this year. The choir has more than doubled this year!

SYMPHONIC ORCHESTRA

These students have worked very hard this year. They have sold candy, tickets to the A. C. Spark Plug Concert and have attended festivals and clinics. Among the clinics attended were the Regional held at Lansing, State Honors Clinic at Flint and All Honors Orchestra at Central Michigan University. The students, A. Spencer, J. Mauch, J. Culclings, R. Giszczak, S. Giszczak, attended the district Solo and Ensemble with very good success. All qualified for the State festival and all received a I rating except Joan who received a II rating. The orchestra entered the district festival and received a plaque due to the I rating. This qualified them for the State festival and there they received a II rating and a plaque. This year the orchestra, combined with choir, put on the Christmas Program which added a happy note to Christmas. They played for the play, Spiral Staircase. J. Catching won the orchestra's Outstand award. Officers are: Librarian, C. Brown; Secretary, R. Giszczak, Treasurer, L. Haenline, and Assistant Student Director, A. Spencer. All in all this has been a very successful year.

SYMPHONIC BAND

The band marched for all the home football games, they sold candy and tickets to the A. C. Spark Plug Concert and earned enough money to buy their uniforms. This is the first year for our newly outfitted uniformed band. They attend the district clinic and the regional clinic. The students entered the district and State Solo band ensemble festival. They also entered the district band festival held here at Carrollton High School and did a good job. They played an assembly at Chippewa. This band is participating in opening events to the little league season and also the opening of the new Immermans Park in the township. The band combined their Spring Concert with the orchestra and choir (Music for MacArthur Day). The outstanding music student is Bill Mitchell. The officers are: D. Byron and T. Pasinauelt, Drum Majors; Secretaries, B. Nelson and L. DeMasellis; Uniform Assistants, M. Hayes, N. Goodman; Equipment Manager, B. Roberts; Librarians, P. Miller, S. Naey; Treasurer, T. Pasinauelt. The band has improved with playing as well as with the appearances which has been helped by the new uniforms.

DRUM-MAJORETTES

A small, but eager group of girls devoted tiring and long hours to compose, the Drum-Majorettes of Douglas MacArthur High School.

With little assistance and supervision they have built a precision group to perform at football games and other athletic events. They have worked diligently and faithfully to acquire uniforms and boots. Many bake sales and candy sales were given so as to purchase uniforms. Parents of this group have given moral support to them, and the girls have provided the enthusiasm and determination to become a great little group.

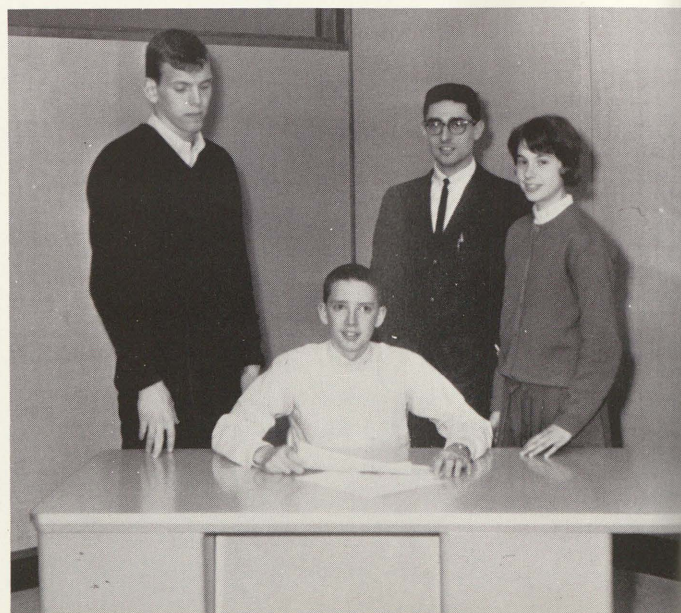

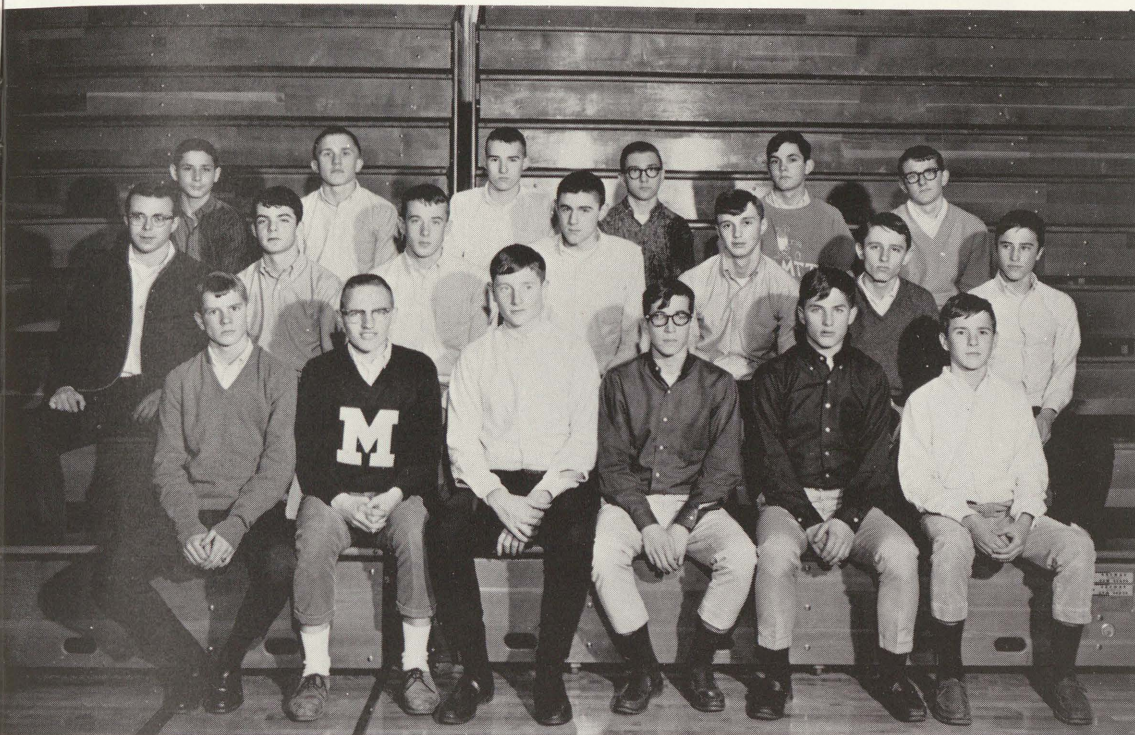

FIRST ROW: M. Lincoln, K. Harris, C. Miller, Mr. Barris, S. Pendell, C. Young, C. Diamond. SECOND ROW: R. Ochmann, J. Jones, J. Watkins, B. Catterfeld, T. Thomson, A. Gibretis and D. Lazowski (not pictured).

STUDENT COURT

Student Court is an organization of the Student Council. In its first year of operation the court consists of 12 "judges" and a chairman. Chosen by the Student Council it is the function of the members of the court to decide fitting punishment for student offenders referred to it by the faculty and administration. Students must maintain a "C" average and are chosen from all class levels. The court is not a trial court but certain regular court procedures are followed. Offenders are formally summoned to answer the charges levied against them with the purpose of the hearing to assess the attitude of the offender toward his misdemeanor. A punishment both fitting and constructive to the school is chosen.

BOYS' INTRAMURAL

FIRST ROW: K. Parrette, D. Brechtelsbauer, J. Forsyth, P. Purcell, C. King, P. Sharp. SECOND ROW: C. Fox, T. Hackett, D. Dunning, R. Raffini, D. Ochring, J. Szott, R. Pfeuffer. THIRD ROW: R. Brasser, C. Sperry, J. Mauch, T. Fanger, M. Hall, J. Sonneberg.

Intramural activities are designed to give every male student an opportunity to participate in some form of physical exercise. This participation requires nothing more than a desire on the part of the student to take part. Degree of performance is not a factor. We only want it to be fun. Among the activities offered this year were: basketball, bowling, swimming, golf. These we hope to expand in coming years. We also hope in succeeding years that all male students will take part in our program.
